

CONFERENCES AT A GLANCE

Your **CONFERENCE PASS** gives you access to all 4 tracks

[REGISTER NOW](#)

DAY 1 > 26 JUNE 2024

E-Waste & WEEE Recycling

Opening Keynote Presentations

E-waste Transparency and Takeback Initiatives

Circular Electronics

Opening Keynote Presentations

Use Phase: Product Passports & Sustainable Product Design

Battery Recycling

Opening Keynote Presentations

Market Outlooks & Global Battery Recycling industry

Metal & Critical Raw Material Recycling

Opening Keynote Presentations

Regulation & Legislation Impacting Recycling Industry

LUNCH & NETWORKING OPPORTUNITIES

E-waste Management Projects

Workshop with WEEE Forum

Reuse Phase: Repair & Reuse Markets

Second Life Batteries

Research and Accelerating Innovation in Battery Recycling

REE Circular Economy

Automotive Metals Recycling

DRINKS PARTY & NETWORKING OPPORTUNITIES

DAY 2 > 27 JUNE 2024

Circularity of the Energy Transition & Photovoltaics

Tackling WEEE Plastics

ITAD Landscape & Challenges

Circular Initiatives

Technology and Digitalisation in Battery Recycling

Transportation and Logistics of Battery Materials

Metal Supply Chains: Recycling Opportunities and Limits

Research and Innovation in CRM Recycling

LUNCH & NETWORKING OPPORTUNITIES

Technological Landscape of E-waste Recycling

Recycling Phase & Design for Recycling

Rethinking Recycling Processes

Challenges for Recyclers

Processes and Technology Innovations
